AGREEMENT

This agreement made at Indore on this _____ day of _____ 2023 between Indore Sahakari Dugdha Sangh Maryadit, a Cooperative Unit incorporated under MP Cooperative Societies Act, 1960 and having its registered office at Indore (hereinafter referred to as the "Sangh", which expression shall includes its successor and assigns by its constituted authority, Chief Executive Officer, Indore Sahakari Dugdha Sangh Maryadit, Indore of the one part;

AND

M/s. _____ having its office at _____ hereinafter referred to as the "Contractor" which expression shall includes its successor and assigns) of the other part, represented by its _____

WHEREAS the Sangh has its factory located at Chanda Talawali, Indore (hereinafter referred to as the Factory) and is engaged in processing, packing and marketing of milk and milk products at the said factory).

The Contractor is in the business of providing pest control services for commercial establishments.

The contractor has agreed to provide the Sangh complete services of pest control at the said factory and its Chilling Centre situated at - Kannod, Badwah, Badwani, Burhanpur, Chapda, Jhabua, Sendhwa, Khargoan, Khandwa & Phoolgawadi (Dhar) under the terms and conditions setout herein :

1. Duties and responsibilities of the Contractor :

The contractor shall be responsible for the following duties at the factory and its Chilling Centre - Kannod, Badwah, Badwani, Burhanpur, Chapda, Jhabua, Khargoan, Khandwa, Sendhwa & Phoolgawadi (Dhar)

- a) The contractor must have specific pest control measures as applicable to a food manufacturing site, must ensure that the treatment itself does not expose food to risk of food poisoning.
- b) All chemicals, methods and measures used must be approved and registered by the Central Insecticide Board, GOI.
- c) The contractor would use the chemicals in either oil (only for the use in drainage/water logging areas) or water base formulations. All chemical to be used or any change in the chemicals would be intimated to the I/c Q.C. of ISDSM.
- d) The contractor would provide trained operator/technicians for regular pest control service.

- e) Contractor must provide copy of material safety data sheet (M.S.D.S. for the chemicals used by them in the factory.
- f) The schedule for the various services will be adhered as per frequency given in the scope of work.
- g) If at any time or times after the initial treatment but before the next due date 'Pest' reappear, the contractor would carryout the necessary treatment without any additional cost.
- h) Section -3- General terms & conditions all sub section of Schedule-1 shall be the part of agreement.

Scope of work :

1. Household disinfestations :

The contractor would carryout disinfestations operation to control cockroaches, red and black ants, silver fish, termite in the form of an insecticidal spray in the plant campus. The contractor must carry this operation once in a month.

2. Rodent control :

- a) The contractor would use 'ROBAN' a single dose anticoagulant bait.
- b) The treatment would cover the plant campus by placing baits in rodent burrows/barbourages so as to keep the premises free of any rodent activities and to avoid migration within the building.
- c) The contractor will fix rodent bait station alongwith the external perimeter of the plant building and campus.
- d) The production and packing area where poison baiting is not advisable will provide eco-friendly nontoxic glue boards.
- E) The baits/traps must be placed along the external perimeter at strategic point.
- f) Frequency of this treatment will be once in a week to replenish the baits/traps.

3. Fly control :

- a) The contractor would spray the approved and recommended chemicals in and around the plant area which includes non-production areas like Lab, Ghee, Butter room, manholes, corridors, varanda etc. except inside the packing/production area, boiler, garage, store, time office, scrap yard.

B) Milk pouching, Powder plant & consumer packing, Ice cream plant, Ghee, I.P. , General store, Finish product section, ETP and all likely breeding areas in the premises.

- c) Format must be filled and signed by both the parties and a copy of the same be handed over to the Sangh.
d) Other pets animal like Cats should not be in production area.

Right & obligations of the contractor :

The contractor hereby agree to following :

1. That the contractor will recruit, supervise, control and disburse salaries to its personnel in accordance and in compliance with all labour and welfare legislation relevant and prevailing from time to time.
2. The contractor shall at all times maintain insurance policy covering to his workers or ESIC coverage.
3. The contractor assures that he will comply with all labour and/or other legislation applicable to the nature of the work and the people engaged in the work including but not limited to the Employees Provident Fund and Miscellaneous Provisions Act 1952, ESIC Act 194, Minimum Wages Act 1048, Factories Act 1048 and keep the company identified against any such labour and/or other applicable legislation by the contractor.
4. Every person engaged by the contractor in fulfillment of the contract must be certified medically fit before he starts work in the Sangh's premises.

Sub-contracting/non-assignment :

The contractor hereby agrees that this agreement shall be performed by the contractor itself and under no circumstances the contractor shall subcontract or assign the same to any third party.

Conditions of payment :

1. In consideration of the work done under the contract the Sangh agrees to pay @ Rs. _____ (Rupees _____ only) per month for Indore Main Dairy Plant & Rs. _____ (Rupees _____ only) per month for Milk Chilling Centre- Kannod, Khandwa, Badwah, Badwani, Burhanpur, Chapda, Jhabua, Khargoan, Sendhwa & Phoolgawadi (Dhar) to the contractor.

2. Upon receiving the bill from the contractor, after completion of the assigned job every month, the Sangh agrees to make payment of the bills submitted by the contractor within 15 days.

Period of contract :

This agreement shall be deemed to have come into force with effect from _____ and shall remain in force till _____ and on the

expiry of the said period the contract will stand automatically terminated unless it is renewed or extended in writing by the consent of both the parties as mutually agreed to.

Procedure for termination of contract :

If the work not found satisfactory, violation of factory rules and non complaines of legal requirement party may be one month's prior notice.

In case the party unwilling to work the prior notice further 3 month in writing shall be given to ISDSM.

Breach of agreement :

The contractor specifically agrees that in the event of any act of deed or misbehavior by contractor (threat, provocation, agitation etc.) or its employees against the Sangh or its officials or its business interest or violation of clause of this agreement this contract shall be terminated by the Sangh without giving any notice to the contractor.

At the time of submitting the tender, tenderer shall supply detailed information about their activities in the enclosed form.

DISPUTE ARBITRATION & FINAL AUTHORITY: It should be clearly understood that in the event of a successful tenderer failing to accept and execute the supply order, then decision of the Chief Executive Officer, Indore Sah Dugdha Sangh Mydt., in this respect will be final and binding on the successful tenderer. For all matters of dispute, the decision of the M.D., M.P.C.D.F. Under Arbitration and Conciliation Act. 1996 shall be final and binding on all the concerned. For all disputes, the venue for legal course shall be at Indore. If the tender opening date become any govt. holiday then the next day may considered for tender opening.

Jurisdiction :

Any legal proceedings arising out of this agreement will be at Indore.
